

## **STANDARDS**

### **SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE**

exceed the greater of the industry-standard adequate power supply or an amount of power equivalent to the power supplied to the Host Broadcaster. The WTA (and its designees) must not be charged more than the Tournament's cost for all such production facilities (including power) and production space. The following outlines the standard production facilities and production space requirements:

- (a) **Transmission Office:** Office space within the TV compound, which is at least 10 feet x 15 feet and contains two (2) long work tables (approximately 6 feet x 3 feet), seven (7) chairs, access to four (4) power outlets, Host Broadcaster cabling of the Clean Feed (including back-up feed), a configurable 31" multi-view HD, two (2) cabled high-speed internet line connections, and access to a minimum 4 Mbps wireless internet connection via a router in the Transmission Office. The office space must be able to be securely locked. Where a fiber rack is the chosen method of delivery, WTA shall designate the location for the fiber rack, and two (2) 16 amp diverse single phase c-form connector power sources must also be available in the same location. Except for lighting, power (including the aforementioned c-form connector power sources), telephone, internet, and other utilities (each of which must be operational 24 hours per day), WTA (or its designees) is responsible for all costs of the Transmission Office.
- (b) **Newsfeed Production Office:** An office space located within the TV compound in close proximity to the Host Broadcaster truck to be used for recording match highlights, producing the newsfeed, and managing the distribution of the newsfeed globally. The office space should be at least 12 feet x 22 feet, contain at least three (3) long work tables (approximately 6 feet x 3 feet), two (2) desks, seven (7) chairs, two (2) cabled high speed internet lines, an international telephone line, four (4) power outlets, a TV monitor with multi-view, a "Matches in Progress" feed, and access to a minimum 4 Mbps wireless internet connection via a router in the Newsfeed Production Office. The office space must be able to be securely locked. Except for lighting, power, telephone, internet, and other utilities (each of which must be operational 24 hours per day), WTA (or its designees) is responsible for all costs of the Newsfeed Production Office.

In addition to the foregoing, the following internet connection must be provided to the following specifications for the Newsfeed Production Office:
