When school bus stops for passengers, only traffic following the bus must stop.

**Emergency and Law Enforcement Vehicles**

Police cars, ambulances, fire engines and rescue vehicles with flashing lights and sirens always have the right of way.

Follow these guidelines when approaching or being approached by an emergency vehicle:

- As the emergency vehicle approaches (from ahead or behind), drive to the right-hand curb or edge of the road and stop completely;
- Remain stopped until the emergency vehicle has passed, or until directed to move by a traffic officer;
- Do not park within 100 feet of an emergency vehicle that has stopped to investigate an accident or to give assistance;

**All vehicles, regardless of direction of travel, must yield right of way to an approaching emergency vehicle. This does not apply to vehicles traveling in the opposite direction of the emergency vehicle(s) when traveling on a four-lane limited-access highway with a center median.**

- Do not drive or park closer than one block from fire trucks responding to a fire alarm;
- Never drive a motor vehicle over a fire hose.
